Grenache

Colour: Clear garnet red with purple hues highlighting the edges

Nose: Typical ripe Grenache characters fill the glass such as raspberries cranberries and goji berries. The vanilla and toffee from the French and American oak balances with the rich intensity of the berry characters.

Palate: The palate has intense flavours of red fruits and dark berries while still remaining subtle and light. The acid is well balanced with the tannin creating a complex after taste and a tasty finish.

Number Produced: 110 Dozen
